

Application form for Special Membership of IFSPT

International Federation of Sports Physical Therapists

Special membership may be granted by the Executive Board or voting representatives at a General Meeting to individuals or other national organisations. Special memberships may be conferred by a (2/3) majority vote of the voting delegates. This means that young organisations which do not yet meet membership criteria will be encouraged to improve their national position to become a full IFSPT Member Organisation. It will allow the special members to attend IFSPT General Meetings, though without the right to vote or speak. The special membership can also be granted at a reduced price for a short period of time, depending on the needs of the individuals, organisations and decisions of the IFSPT Executive Board.

Please fill out the Application form as specific as possible. Write "none" if not applicable. As an individual applicant write your own data
