

Pilot Utility of Quality Self Assessment System for Master's Programmes in Sports Physiotherapy - Appendix 1: Checklist on Competencies and Standards

1	Validity Do you think this is an instrument that really measures what it has to measure, so really can show that students following this programme are developing SPT competencies and standards at masters level and that they really are sports physiotherapist at masters level after finishing the programme.	1=totally disagree 2 3 4 5=totally agree
2	Reliability: Do you think this is an instrument that is trustworthy: Does testing with this instrument will give the same results if the same assessors will do the assessment one day/week/month later again or	1=totally disagree 2 3 4 5=totally agree
3	Inter observer reliability: Does testing with this instrument will give the same results if some other assessors really involved in the organisation of the programme would do the assessment using the checklist too.	1=totally disagree 2 3 4 5=totally agree
4	Costs How many persons have to be involved (and payed?) to work with the checklist and do a complete assessment of the programme.	Amount of persons:
5	Costs How many hours did it take to score the whole checklist on competencies and standards all persons included?	Hours:
6	Costs Where there other facts that takes time, or costs money? How much money/time?	Other facts: Costs:
7	Organisation What had to be organised to use the tool (e.g. instructions to assessors, meetings with teachers and/or students, discussions between assessors, other organisation items)	Answer:
9	Acceptance Would you agree with accepting this instrument as a tool for defining whether a programme in sports physiotherapy meets Masters level?	1=totally disagree 2 3 4 5=totally agree
10	Acceptance Can you explain why you choose that score?	Explanation:
11	Acceptance Do you think this programme assessment is easy or difficult to do?	1=very easy 2 3 4 5=very difficult

12	Acceptance Is this a tool that you would use if it was available for you? Why (not)?	Yes / No Because:
13	Acceptance What benefit do you perceive from using this tool?	Benefit:
14	Suggestions Do you have suggestions to improve (the use) of this tool or do you have other suggestions?	Suggestions to improve: Other suggestions:
