

Application form for Special Membership of IFSPT/Individual

International Federation of Sports Physical Therapy
 Luciana De Michelis Mendonça
 Chair, Membership Committee
lucianademichelis@yahoo.com.br

Special membership may be granted by the Executive Board or voting representatives at a General Meeting to individuals or other national organisations. Special individual memberships may be conferred by a majority vote of the IFSPT Executive Board. This means that young organisations which do not yet meet membership criteria will be encouraged to improve their national position to become a full IFSPT Member Organisation. It will allow the individual members to attend IFSPT General Meetings, though without the right to vote or speak.

Please fill out the Application form as specific as possible. Write "none" if not applicable. As an individual applicant write your own data.
